### PRIVACY STATEMENT

Our practice respects your privacy and will comply with the Privacy Act and the Australian Privacy Principles when handling your personal information (including health information). We use your personal information to help us provide services to you. We may also use your personal contact information to send you information regarding eye health, eye care and eyewear, with your consent. We may also need to provide third party suppliers such as delivery and distribution services with information to enable them to provide the relevant goods and services to you (for example, prescription eyewear and contact lenses). Please contact us if you would like to know more about how we handle personal information. You can view our Privacy Policy on our website at <http://drummoyneoptometry.com.au>.
